# FOREWORD

With two-fold purpose we publish this book: to enable the students of Hubbard High to relive in imagination on those days which they cannot relive in reality; to enable their parents and friends and the alumni to obtain pleasing and interesting glimpses of those events and people that will assuredly, make this reliving a delightful one.

"To offend you we are loath,
Yet, since others pleased with it be,
Forbear to judge till you further see."

**RICHARD A. SONTAG**

CLASS ADVISOR

After four years of excellent supervision of our class, we the Seniors of 1952, wish to express our gratitude to Mr. Richard Sontag, our "teacher and advisor". His high ideals and kind understanding, coupled with wisdom and sincerity, serve as a goal toward which we strive. He has guided and trained us for citizenship in a democratic world. We will strive to be worthy of the trust and faith he has in us and, in a great measure, live up to the ideals he has set before us. We wish to dedicate our precious keepsake, THE BARD, to our able class advisor and fine friend.

## TO THE CLASS OF 1952:

Congratulations to each of you members of the class of 1952.

It is with deep pride that we send you out to begin your life's work. May Hubbard High School have prepared you well. We have tried to do our part in supplying you with all the helps in the way of opportunities to develop into your best self.

Our world today — as ever — needs young men and women at their best. The need is urgent. Strong bodies, clear minds, and clean hearts are yours to give.

Your Board of Education wishes you success — a success which comes from being prepared to do the world's work — and with the peace of mind that it is being done well.

Keep learning.

# SENIOR DAZE

The month of September found us getting acquainted with each other all over again. When we arrived on September 4, we found our seats all assigned and Miss Burrows and Mr. Sontag as our homeroom teachers. It was hard to get back to the old grind and as of yet some of us still haven't gotten there. Everyone was waiting for that first football game and no one was disappointed when Hubbard defeated Girard 20-0. Much praise goes to Mr. Sontag and Mr. Berardi for the very successful season they had during the fall of 1951. We won 6 games and lost 5.

The Annual Staff was announced with Patti McBride and Sue Evans being chosen as co-editors. All of the members have been working madly every since.

Remember all the primpin' we did and the "dreams" that were making their way from classes down to the workshop of Mr. Robinson, our photographer. The boys just couldn't wait to change back to their reliable "jeans". Anyhow we did get a look at the handsome brutes in their dress suits. We hardly recognized some of them, and on the whole, we have a handsome group of boys.

Then came time to see how our "John Hancock's" looked in print. Wherever you saw a group of "Seniors", cards were flying fast and furious.

We had several "Bake Sales" and found out what wonderful cooks our Senior girls will make some lucky boys.

Several occasions found us voting for candidates for class queens. Pat Reno was nominated as Halloween Queen with Carole Harder and Jean Altiere being nominated as Homecoming Queens.

We wanted everyone to know we were up-to-date on this atomic energy stuff. We sure did by presenting our play, "The Atomic Blonde". No one will ever forget Paul Schuerer in his sultry role.

December 14 was the day of miracles. The "ohs" and "ahs" of seeing each other's pictures and looking twice to be sure we were looking at a member of the senior class.

The Senior Christmas party at the American Legion Hall will long be remembered. Who will forget Mr. Sontag playing the role of Santa, the square dancing, the wonderful eats, and the Christmas presents? This is to be an annual event for the class of "52".

January marked the beginning of the Monitor System. This was done through the efforts of the newly organized "Student Council". Congrats to Ralph Reynolds as he has done a wonderful job as president.

On February 2 the "brains" of the class went to Warren to really test the machine upstairs.

Friday nights were reserved for our sports and then those dances afterwards! ! !

We realized that graduation was close when we chose our announcements. We have chosen our date for the fabulous "Senior Day" and so be on the look out and we do mean you — Juniors.

With fond memories we look back on our Senior year and all the others at Hubbard High. We wish they could last longer but all good things must come to an end.

As of now we still have graduation, Baccalaureate, and the Prom to look forward to but soon they will be memories too. To tell the truth — Juniors — we are a little worried about the Prom but we know in the end it will be something to always remember.

This about closes the book on the Class of 1952 but we will never forget a minute of our SENIOR DAZE.

The members of the Student Council cooperate with the faculty, administration, and student body to help improve the standards of the school.

One of the outstanding projects of the council is the inauguration of the Monitor System. This system has been functioning very well and has improved the traffic in the halls as well as the appearance of the halls.

The Hi Y is composed of responsible Junior and Senior boys who have joined together to exercise the embodiment of Christian principles in individual and group conduct.

The motto of the Hi Y is "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character".

The "watchword" is Service — Service to members, the school, the community, the nation, the world, and God.

The Senior Hi Y members participated in the National Civic Day Program by holding a civic office in Hubbard. In preparation for Civic Day, these boys attended a City Council meeting in Hubbard on Monday, March 3.

The advisor is Mr. Tucciarone.

The Tri Hi Y is a group of Junior and Senior girls who have organized to bring about a more vigorous Christian life.

To be eligible for membership, each nominee must attain certain standards and meet a goal set by the senior sisters.

The Tri Hi Y this year consists of nineteen Senior members and thirty Junior members.
We hope the Induction Service of this year will set a precedent.

One of the most interesting incidents of the year, for the Senior members, was Civic Day on March 11. All girls held interesting positions.

The G. A. A. is an organization of Junior and Senior High School girls who are sports-minded.

To be a member you must have earned at least thirty points. These points are earned by playing basketball, baseball, or volley ball after school

At the close of the year numerals are awarded to each girl who has qualified. When a girl attains 120 points she is awarded a higher letter H, and for every 30 points after the 120 a white bar is added to the H.

The G. A. A. sponsors a "Basketball Carnival" each year to earn money to pay for these numerals and letters.

Of course, the numerals and letters are a reward but this isn't the only reward a G. A. A. member receives. The knowing that although you might have lost the game you had fun and played fair always makes up for the loss. The purpose of G. A. A. is to develop sportsmanship among the girls and the members. Their leader, Miss Iva Miller, has certainly accomplished the purpose.

# GIRL LEADERS

The Girl Leaders' Club is an honor organization, which was founded by Miss Iva Miller in 1939. The selection of each girl is based upon her outstanding ability in physical education, dependability, and interest in promoting sports among high school girls.

The Girl Leaders is an organization which will develop responsibility in directing activities, which will, in turn, develop such qualities as leadership, self-confidence, and general personality.

Each girl leader assists the director in regular gym classes, helping to organize the class work and promote better sportsmanship. Leaders also assist during intermural games by serving as referees, timers, scorers, and umpires.

The Dramatics Club has been re-organized this year by Mrs. Louden.

The purpose of the club is to create more interest in dramatics, produce better plays, and train the student in the art of acting.

To be a member you must have experience in one three-act play, or one one-act play, or the equivalent.

There is a point system set up and when you have earned 12 points you are eligible for a Senior Award which is given out on Class Day.

The Dramatics Club has sponsored many school activities to earn their money. They have also put on several one-act plays for the Friday assembly programs.

The Hubbard High Basketball quintet came home from the NEO class "A" tournament with the runner-up trophy and the respect of thousands of district basketball fans.

The Eagles blasted four teams from the running in the district tourney, including Youngstown's city series champs, seeded East High, before meeting defeat for the third time this year at the hands of district champs, Girard High School.

John "Laffy" Ferrett, Hubbard's center and top scorer was joined by H. Davis of North as the only unanimous choices on the ten-man All Tourney team picked by sports writers, announcers, and tourney officials. "Laffy" was easily one of the most outstanding players to participate in the NEO district tournament at South High field house in Youngstown. Hubbard's scoring ace maintained a 15 point per game average despite meager two point offering in the Girard encounter.

The Junior High team started out like world beaters, but faltered late in the season to drop out of the running for the Steel Valley Conference Junior High title. The team took 12 of their 17 starts for a fine season record, but the five games they dropped to league opponents managed to keep them from copping Steel Valley honors.

Well, we're pretty sure that the degree in which your dreams will all come true depends almost completely upon YOUR own determination! First you'd better BUILD your ladder to the stars . . . and then, with all the faith and hope and trust that true success requires . . . climb to the very top! And our best wishes will go with you all the way!
